The *CALIBRICS* Team

Dr. Jeanne-Mari Retief

Dr Retief heads up *CALIBRICS* Portugal and is an admitted attorney and international human rights specialist. She advocates for the advancement of non-profit organisations through proper project planning and execution, good governance and teaching sustainable business practices.

She has a particular passion for the gender agenda and co-created various women leadership initiatives, both for the youth and professionals.

She has completed legal projects for various key stakeholders in the global legal arena and is known for her creative and passionate approach to the evolution of a modern legal profession.

She founded *CALIBRICS* in 2012 and has since grown it to a reputable brand focused of adding value and innovation. To her colleagues and clients she is known as a brainiac and have published in various accredited journals, written books, and has presented papers both at home and abroad.

The *CALBRICS* Team

Miss Soretha Venter

Heads up *CALBRICS* South Africa and is an admitted attorney with experience in human rights, good governance and public administration. She has a keen interest in governance and business strategies and believes that good leadership lies within each member of an organisation.

Her passion for governance and leadership stems from acting as investigator at the Office of the Public Protector dealing with public administration and good governance investigations.

During the course of her career she has worked for several non-profit organisations in the private and government sector and shares Dr. Retief's passion for the advancement of NPO's and Human Rights.

She joined *CALBRICS* in 2019 and has since contributed to its vision and mission by adding value and innovation to the services already provided. To her colleagues and clients she is a driving force and go-getter.
